¹The State Board of Higher Education adopted a new enrollment reporting policy in August 2006. The policy, which is consistent with national Integrated Postsecondary Education Data Systems (IPEDS) reporting requirements, provides that an undergraduate full-time equivalent (FTE) student is equal to 15 credit hours rather than 16 credit hours as previously calculated. The policy also provides that for graduate students, one full-time student is equivalent to 1 FTE student and a part-time student is equivalent to a .5 FTE student. In order to provide a consistent basis for comparing fall 2006 enrollments to previous years, the enrollments reported for 2003 through 2005 have been recalculated based on the new definition. The information presented in this schedule was provided by the University System office.
