¹The 1999 Legislative Assembly approved Senate Bill No. 2009, which included a provision increasing the biennial pesticide registration fee by \$50, from \$300 to \$350 only for the 1999-2001 biennium. The \$350 pesticide registration fee was extended for the 2001-03 biennium (2001 House Bill No. 1009), the 2003-05 biennium (2003 Senate Bill No. 2319), and the 2005-07 biennium (2005 House Bill No. 1009). This increase is estimated to generate \$500,000 of additional revenues to be deposited in the environment and rangeland protection fund during the 2005-07 biennium.

²Senate Bill No. 2323 (2007) continues the biennial pesticide registration fee of \$350, with \$50 of each pesticide registration deposited in the general fund. The increase is estimated to continue to generate \$505,000 of additional revenue to be deposited in the environment and rangeland protection fund during the 2007-09 biennium.

³Transfer from general fund - Senate Bill No. 2009 (2007) provides for a transfer of \$150,000 from the general fund to the environment and rangeland protection fund for the endangered species program for the 2007-09 biennium.

⁴Transfer from pesticide enforcement fund - Senate Bill No. 2009 (2007) provides for a transfer of \$50,000 from the North Dakota State University Extension Service pesticide enforcement fund to the environment and rangeland protection fund for the endangered species program for the 2007-09 biennium.

⁵This amount is transferred to the minor use pesticide fund and appropriated to the Crop Protection Product Harmonization and Registration Board on a continuing basis. House Bill No. 1328 (2001) changed the control of the minor use pesticide fund from the Agriculture Commissioner to the Crop Protection Product Harmonization and Registration Board.

⁶North Dakota Century Code Section 4-35-30 as created by House Bill Nos. 1328 and 1009 (2001) created the Crop Protection Product Harmonization and Registration Board. The duties of the board consist of:

- Identify and prioritize crop protection product labeling needs.
- Explore the extent of authority given to North Dakota under the federal Insecticide, Fungicide, and Rodenticide Act.
- Identify the data necessary to enable registration of a use to occur in a timely manner.
- Determine what research, if any, is necessary to fulfill data requirements for responsibilities of the board.
- Request the Agriculture Commissioner to pursue specific research funding options from public and private sources.
- Request the North Dakota State University Agricultural Experiment Station to pursue specific research to coordinate registration efforts.
- Pursue any opportunities to make more crop protection product options available to agriculture producers in this state through any means the board determines advisable.
- The board may administer a grant program through which agriculture commodity groups may apply for funds to be used to address issues related to the registration of crop protection products.

The members of the Crop Protection Product Harmonization and Registration Board consist of:

- The Governor or the Governor's designee (chairman).
- The Agriculture Commissioner or the commissioner's designee.
- The chairman of the House Agriculture Committee or the chairman's designee.
- The chairman of the Senate Agriculture Committee or the chairman's designee.
- A member of the House or Senate Agriculture Committee who is not a member of the faction in which the committee chairman is a member, appointed by the Legislative Council chairman.
- A crop protection product dealer in the state appointed by the Governor from a list of three nominees submitted by the North Dakota Agricultural Association.
- A consumer of crop protection products appointed by the Governor from a list of three nominees submitted by the North Dakota Grain Growers Association.
- A consumer of crop protection products appointed by the Governor from a list of three nominees submitted by the North Dakota Oilseed Council.
- A representative of the crop protection product manufacturing industry appointed by the chairman of the Legislative Council (nonvoting).
- The director of the Agricultural Experiment Station (nonvoting).

FUND HISTORY

North Dakota Century Code Section 19-18-02.1 created by 1991 Senate Bill No. 2451 establishes the environment and rangeland protection fund. The fund contains collections from pesticide registration fees. The biennial fee is \$350 per pesticide product registered in the state for the 2007-09 biennium. Of this amount, \$300 is deposited in the environment and rangeland protection fund and \$50 in the general fund.
