<sup>1</sup> This amendment removes the funding and positions added in the executive budget to provide students and their parents information about North Dakota career opportunities.

<sup>2</sup> Funding is added for 1 FTE position and related operating expenses to administer the career promotion in workforce deficient industries program and the internship program.

<sup>3</sup> Funding for internships for postsecondary students is increased to provide a total of \$600,000 from the general fund. A section is added requiring the department to report to the 61st Legislative Assembly on the status of the internship program.

<sup>4</sup> This amendment reduces funding recommended in the executive budget for tourism marketing and promotion.

<sup>5</sup> This amendment adds funding for the Tourism Division to match private funds for tourism-related promotions and events involving officially sanctioned statewide pageant titleholders who are over age 17. The Tourism Division may provide matching funds on a dollar-for-dollar basis of up to \$1,000 for each eligible promotion or event as determined by the Tourism Division.

<sup>6</sup> Funding is added for the tax expenditure report and business incentive expenditure report pilot projects.

<sup>7</sup> Funding is added for the department to contract for services relating to the beginning again North Dakota pilot program.

Sections are added that:

- Require the North Dakota Trade Office to raise \$1 of matching funds from private or other public sources for each \$2 of funds provided by the department.
- Identify the one-time funding included in the budget and provide for a report to the 2009 Legislative Assembly of the agency's use of the one-time funding.
- Provide the department an exemption from the state employee compensation adjustment guidelines included in Senate Bill No. 2189 and require the department to provide 2007-09 biennium salary increases to its employees based on a system considering each employee's performance, merit, and equity. The department is to report to the Human Resource Management Services Division of the Office of Management and Budget by December 31, 2007, on its compensation system.
- Provide for the department to implement a beginning again North Dakota pilot program for the 2007-09 biennium.

Section 8 of the bill relating to the Dakota Manufacturing Initiative is removed.

<sup>1</sup> Funding for Innovate ND is increased to provide a total of \$300,000, of which \$150,000 is from the general fund, the same as the Senate version.

<sup>2</sup> Funding for the Agricultural Products Utilization Commission is increased to provide a total of \$1,662,115 from the general fund, the same as the Senate version.

<sup>3</sup> Funding and 2 FTE positions are added to the Workforce Development Division for additional responsibilities, including talent initiative and workforce intelligence coordination and for planning. The Senate had added \$400,000 to provide grants for career counseling services for students.

<sup>4</sup> Funding is added for costs relating to the Workforce System Initiative, the same as the Senate version.

<sup>5</sup> This amendment restores \$3,750,000 of the \$3,753,948 reduced by the House for tourism marketing and promotion. The Senate had restored \$3 million of this amount.

<sup>6</sup> An additional \$100,000 from the general fund is added for the internship program of the Trade Office.

<sup>7</sup> Funding is added to provide a total of \$25,000 for operating expenses of the Office of Faith-Based and Community Initiatives, the same as the Senate version. Funding of \$11,000 from the general fund is appropriated to the department in Senate Bill No. 2001.

<sup>8</sup> Funding is added for the Department of Commerce and the Tax Department to expand the tax expenditure pilot project to include three rather than one tax incentive.

<sup>9</sup> Funding for administrative costs relating to centers of excellence applications is appropriated from funds transferred by the Office of Management and Budget from the centers of excellence appropriation from the permanent oil tax trust fund. The department will report to the Budget Section on the funds spent on each center of excellence application considered.

<sup>10</sup> Funding is added for costs relating to the provisions of House Bill No. 1462, including the development of a state energy plan. The \$25,000 of special funds is from funds to be raised by the department.

<sup>11</sup> Funding is added for the Tourism Division to provide a grant to the Lewis and Clark Foundation in Washburn. The Tourism Division may only provide grant funds to the extent the Lewis and Clark Foundation provides \$2 of matching funds for each \$1 of state grant funds.

A section is added authorizing the Industrial Commission to transfer up to \$1 million from the PACE fund to the development fund during the 2007-09 biennium. The Senate had appropriated an additional \$1 million from the general fund to provide a total general fund appropriation for the development fund of \$4 million. The conference committee did not change the general fund appropriation included in the House version of \$3 million for the development fund.

The section added by the House requiring the Trade Office to raise \$1 in matching funds for every \$2 provided by the state is replaced with a section allowing the department to provide 50 percent of the \$1.5 million appropriation for the Trade Office without a matching requirement and the remaining 50 percent with the requirement that the Trade Office provide \$1 of matching funds for each \$1 provided by the department. The section added by the Senate requiring the department to report to the Budget Section on the status of matching funds raised by the Trade Office is not included.

Sections added by the Senate which were not changed by the conference committee include:
