<sup>1</sup> This amendment reverses the funding source change included in the agency's budget request for 2 FTE positions in the records management area. The executive budget recommendation intended for the positions to remain funded with special funds.

<sup>2</sup> This amendment removes 3 new FTE positions (salaries and wages of \$418,786) and related operating expenses (\$65,052) for providing desktop support services to agencies as requested.

<sup>3</sup> This amendment changes the funding source for one of the new FTE positions included in the executive budget for the business intelligence initiative from special funds to the general fund (\$178,116) and provides additional funding of \$50,000 from the general fund for consulting services for a statewide longitudinal data system initiative.

<sup>4</sup> This amendment provides funding of \$120,000 from the general fund to be used in conjunction with \$80,000 in the executive budget for the Division of Independent Study for developing online North Dakota studies resources and curriculum.

This amendment also:

- Adds a section to the bill identifying one-time funding for the 2007-09 biennium.
- Adds a section to the bill providing legislative intent regarding new FTE positions.
- Adds a section to the bill creating and enacting a new section to the North Dakota Century Code relating to a statewide longitudinal data system committee.
- Adds a section to the bill providing that the funding included in Section 3 of the bill for assisting the Department of Human Services and the selected vendor in the rewrite of the Medicaid management information system is declared an emergency measure.

<sup>1</sup> This amendment removes funding of \$148,014 from special funds and 1 FTE position relating to support of the Northern Tier Network.

<sup>2</sup> This amendment reduces funding for the Division of Independent Study for developing online North Dakota studies resources and curriculum by \$30,000 from \$120,000 to \$90,000.

<sup>3</sup> This amendment provides funding of \$190,000 from the general fund to the Educational Technology Council for providing kindergarten through grade 12 video grants.

<sup>4</sup> This amendment provides funding for the Educational Technology Council for increasing kindergarten through grade 12 classroom transformation grants by \$40,000, from \$349,000 as provided in the executive budget to \$389,000.

<sup>5</sup> This amendment provides funding of \$100,000 from the general fund for geographic information system data acquisition.

This amendment:

- Amends Section 4 of the engrossed bill to limit transfer of funds between the salaries and wages, operating expenses, and capital assets line items.

- Amends Section 5 of the engrossed bill to reflect one-time funding for the 2007-09 biennium.
- Adds a new section providing that the North Dakota University System is to provide funding of \$300,110 for the cost of 2 FTE positions and relating operating expenses for support of video services in school districts.
- Adds a new section to create a new section to North Dakota Century Code Chapter 23-01 relating to the creation of a health information technology steering committee.

This amendment also recognizes additional department collections of \$1,204,688 for the 2005-07 biennium due to the receipt of a portion of e-rate reimbursement funding for costs incurred during fiscal year 2002. The Information Technology Department was originally denied e-rate reimbursement funding for fiscal year 2002 due to a technicality in the filing of forms for the e-rate program. Therefore, this amendment results in an increase of \$1,204,688 in the beginning general fund balance for the 2007-09 biennium.
