¹ The conference committee increased funding for emergency medical services assistance grants from \$2 million provided by the House to \$3 million. The Senate provided \$4 million.

The conference committee included changes made by the Senate to create an Emergency Medical Services Advisory Council, provide that the State Department of Health designate emergency medical services service areas, and limit the state financial assistance for emergency medical services in the first year of the biennium to \$1.25 million. In addition, the conference committee provided that three representatives of the Emergency Medical Services Advisory Council be appointed by an emergency medical services organization rather than the North Dakota EMS Association as provided in the Senate version.
