¹ This amendment appropriates \$350,000 from the general fund to the Information Technology Department for costs associated with the Health Information Technology Advisory Committee and the Health Information Technology Office.

² This amendment appropriates \$88 million of special funds, including \$80 million of funds from the federal American Recovery and Reinvestment Act of 2009, to the Information Technology Department for facilitating and expending electronic health information exchange.

This amendment also provides that:

- During the 2009-11 biennium as directed by the Health Information Technology Office director the Industrial Commission is to transfer up to \$8 million from the current earnings and the accumulated undivided profits of the Bank of North Dakota to the health information technology loan fund to meet any required match for federal funds or to the electronic health information exchange fund to meet any required match for federal funds or as directed, a portion to both funds to meet any required match for federal funds.
- If actual general fund revenues for the period July 1, 2009, through September 30, 2009, exceed estimated general fund revenues for that period by at least \$22.5 million, as determined by the Office of Management and Budget, based on the legislative estimates made at the close of the 2009 legislative session and upon certification by the Health Information Technology Office director to the director of the Office of Management and Budget of a demonstrated need for health information technology planning loans, the Industrial Commission is to transfer up to \$5 million from the current earnings and the accumulated undivided profits of the Bank of North Dakota to the health information technology planning loan fund.
