Provide explanation: During the 2021-23 biennium, we received Emergency Commission approval to transfer funds from the Emergency Ed. Relief- Schools line to our Grants - Other Grants line to cover increased federal funding to existing programs. The 6th Legislative Assembly granted us authority to carryover COVID-related federal funding, however, the amount that we had previously transferred out of the COVID lines was overlooked. This request is to correct this so that we may pay ESSER claims to our school districts for the rest of the biennium. We will request a deficiency appropriation for our Grants-Other Grants line if deemed necessary.
