NOTES

2007-09 Executive Budget

The executive budget does not reflect \$116.7 million for property tax relief recommended in the executive budget as a continuing appropriation from the permanent oil tax trust fund.

2007-09 Current Budget Status

Senate Bill No. 2200 includes a \$5 million general fund appropriation to the Department of Public Instruction for school districts deferred maintenance and physical plant improvement grants contingent upon the Office of Management and Budget projecting the end balance to be \$30 million more during the 2007-09 biennium than projected at the end of the 2007 legislative session.

Senate Bill No. 2200 also provides that if the Superintendent of Public Instruction determines there are insufficient funds to fully reimburse school districts for the excess costs of serving the 1 percent of special education students statewide who require the greatest school district expenditures, the Industrial Commission shall transfer the amount the Superintendent certifies necessary from the earnings and accumulated and undivided profits of the Bank of North Dakota to the Superintendent for providing the statutorily required level of reimbursement. The Superintendent is to file for introduction legislation requesting the 61st Legislative Assembly return any amount transferred under these provisions to the Bank of North Dakota.
