**House Bill No. 1347 - Industrial Commission - House Action**

This bill authorizes \$5 million from the abandoned oil and gas well plugging and site reclamation fund for restoration projects related to pipelines and facilities that were abandoned or inadequately reclaimed before August 1, 1983, and for demonstration projects related to reclamation. This bill also provides and appropriation of \$5 million from the abandoned oil and gas well plugging and site reclamation fund for brine pond and remediation studies and designates \$500,000 under the continuing appropriation from the oil and gas research fund to continue a study of pipeline leak detection technology.

**House Bill No. 1347 - Industrial Commission - Senate Action**

The Senate did not change Engrossed House Bill No. 1347, as approved by the House.
