FTE Positions

The 2017-19 biennium executive budget recommendation includes authorization of all FTE positions for institutions and entities under the control of the State Board of Higher Education, including positions supported by special funds. Previously, only FTE positions supported by the general fund were authorized.

Special Funds Appropriations

The 2017-19 biennium executive budget recommendation includes appropriation authority of all special funds received by the University System office and institutions. Previously, special funds appropriations for the University System office and institutions were provided only for certain items, such as capital projects.

Other Sections in Senate Bill No. 2003

Carryover authority - Section 4 continues the authorization through July 31, 2019, for institutions under the control of the State Board of Higher Education to carry over unexpended appropriations at the end of a biennium.

Additional funds appropriation authority - Section 5 appropriates any additional special funds received by entities under the control of the State Board of Higher Education to the respective entities.

Project management oversight - Section 6 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

Transfer authority - Section 8 provides that the State Board of Higher Education may transfer funds between an institution's operations and capital assets line items.

FTE positions - Section 9 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

Tuition rate increase limit - Section 14 limits resident tuition rate increases to 3 percent per year during the 2017-19 biennium except for programs under the UND School of Medicine and Health Sciences, UND School of Law, and NDSU College of Pharmacy. The section authorizes the State Board of Higher Education to increase resident tuition rates by an additional 1 percent per year if the funding is matched \$2 to \$1 by an institution and used for deferred maintenance and other capital needs.

Extraordinary repairs matching funds - Section 15 requires institutions to match state extraordinary repairs funding on a \$2 to \$1 basis using operations or other funding.

Employee reductions - Section 17 provides legislative intent that if an institution reduces FTE positions, any reductions are to be applied among all classifications of employees with emphasis on senior administrator positions. The section also requires reports to the Legislative Management regarding employee reductions, including whether any employees in an administrative position have been transferred to a different position at an institution.

Additional Funds Appropriation Authority

Additional special funds received - Section 5 of Senate Bill No. 2003 appropriates any additional federal, private, and other local funds received by entities under the control of the State Board of Higher Education, including tuition revenue, to the respective entities during the 2017-19 biennium.

Significant Audit Findings

There were no significant audit findings for this institution.

Major Related Legislation

House Bill No. 1030 - Legislative approval of campus improvements - Increases the minimum cost of higher education campus improvements that require the consent of the Legislative Assembly or the Budget Section from \$385,000 to \$700,000 and removes the authority of the Budget Section to approve the construction of any new building or any addition to a building under the control of the State Board of Higher Education.

Senate Bill No. 2013 - Permanent funds distributions - Provides distributions to University System institutions from permanent funds established for the benefit of the institutions.

Senate Bill No. 2196 - Valley City State University integrated carbon plant - Authorizes the issuance of \$22.5 million of revenue bonds for the construction of an integrated carbon plant at Valley City State University.
