FTE Positions

The 2021-23 biennium executive budget recommendation includes authorization of all FTE positions for institutions and entities under the control of the State Board of Higher Education, including positions supported by special funds. Prior to the 2017-19 biennium, only FTE positions supported by the general fund were authorized.

Special Funds Appropriations

The 2021-23 biennium executive budget recommendation includes appropriation authority of all special funds received by the University System office and institutions. Prior to the 2017-19 biennium, special funds appropriations for the University System office and institutions were provided only for certain items, such as capital projects.

Other Sections Recommended to be Added in the Executive Budget (As Detailed in the Attached Appendix)

Higher education challenge grants - Sections 3 and 4 would adjust the higher education challenge grant statutory language and provide for the distribution of up to \$20 million of grant funds to eligible institutions.

Higher education funding formula - Section 5 would adjust the base credit-hour funding rates of the higher education funding formula.

Carryover authority - Section 6 would continue the authorization through July 31, 2023, for institutions under the control of the State Board of Higher Education to carry over unexpended appropriations at the end of a biennium.

Additional funds appropriation authority - Section 7 would appropriate any additional other funds received by entities under the control of the State Board of Higher Education to the respective entities.

Project management oversight - Section 8 would require capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

Transfer authority - Section 10 would provide that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets line item if the board determines that additional funds are needed for capital assets.

FTE positions - Section 11 would authorize the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

Capital building fund program - Sections 12, 13, 15, and 16 would provide for the continuation of the capital building fund program, including the carryover of unexpended funds appropriated for the 2019-21 biennium.

Extraordinary repairs matching funds - Section 14 would require institutions to match state extraordinary repairs funding on a \$2 to \$1 basis using operations or other funding.

Agriculture products development center bonding - Section 17 would provide bonding authorization through the Public Finance Authority for \$14 million of bonds for the agriculture products development center project.

Agriculture products development center carryover - Section 18 would provide an exemption to allow North Dakota State University (NDSU) to carry over the \$20 million of general fund appropriation authority for the agriculture products development center project.

Agriculture products development center bonding continuation - Section 19 would intend to continue bonding authorization through the State Building Authority for \$20 million of bonds for the agriculture products development center project.

Deficiency Appropriation

A. Glenn Hill Center project - The executive budget recommends House Bill No. 1025 provide a deficiency appropriation of \$474,657 from the general fund to NDSU for litigation costs related to the A. Glenn Hill Center construction project.

Significant Audit Findings

The State Auditor's office reported NDSU:

- Did not ensure that all faculty members were receiving proper evaluations, including student input as required by board and institution policies;
- Did not ensure that all faculty members had complete and valid contracts;
- Did not ensure that all faculty members had all required information included in their office personnel file, as required by law;
- Did not monitor the revenues received under the contract for trademark royalties or have a policy in place for the distribution of trademark royalty revenues; and
- Did not maintain proper documentation to support the awarding of contracts for the Sudro Hall expansion architect or a steam tunnel replacement project engineer and construction manager.

Major Related Legislation

House Bill No. 1025 - Provides a deficiency appropriation to NDSU for litigation expenses.

House Bill No. 1132 - Provides \$1.1 billion of bonding authority for various projects statewide, including \$50 million for the NDSU agriculture products development center, \$35 million for a polytechnic program at Bismarck State College, \$15 million for a career and technical education program (CTE) at Dickinson State University, \$2 million for a CTE program at Lake Region State College, \$19 million for the capital building fund program, \$3 million for the Dickinson State University Pulver Hall project, \$3 million for the Dakota College at Bottineau Old Main renovation, and \$4 million for a space command initiative at the University of North Dakota.

Senate Bill No. 2013 - Permanent funds distributions - Provides distributions to University System institutions from permanent funds established for the benefit of the institutions. The following is a comparison of distributions from permanent funds during the 2017-19 biennium and the 2019-21 executive budget recommendation:

Institution	2019-21 Distribution	2021-23 Distribution	Increase (Decrease)

SECTION 6. AMENDMENT. Section 54-44.1-11 of the North Dakota Century Code is amended and reenacted as follows:

54-44.1-11. Office of management and budget to cancel unexpended appropriations - When they may continue. (Effective through July 31, ~~2021~~2023)

Except as otherwise provided by law, the office of management and budget, thirty days after the close of each biennial period, shall cancel all unexpended appropriations or balances of appropriations after the expiration of the biennial period during which they became available under the law. Unexpended appropriations for the state historical society are not subject to this section and the state historical society shall report on the amounts and uses of funds carried over from one biennium to the appropriations committees of the next subsequent legislative assembly. Unexpended appropriations for the North Dakota university system are not subject to this section and the North Dakota university system shall report on the amounts and uses of funds carried over from one biennium to the next to subsequent appropriations committees of the legislative assembly. The chairmen of the appropriations committees of the senate and house of representatives of the legislative assembly with the office of the budget may continue appropriations or balances in force for not more than two years after the expiration of the biennial period during which they became available upon recommendation of the director of the budget for:

1. New construction projects.
2. Major repair or improvement projects.
3. Purchases of new equipment costing more than ten thousand dollars per unit if it was ordered during the first twelve months of the biennium in which the funds were appropriated.
4. The purchase of land by the state on a "contract for deed" purchase if the total purchase price is within the authorized appropriation.
5. Purchases by the department of transportation of roadway maintenance equipment costing more than ten thousand dollars per unit if the equipment was ordered during the first twenty-one months of the biennium in which the funds were appropriated.
6. Authorized ongoing information technology projects.

Office of management and budget to cancel unexpended appropriations - When they may continue. (Effective after July 31, 2021-2023) The office of management and budget, thirty days after the close of each biennial period, shall cancel all unexpended appropriations or balances of appropriations after the expiration of the biennial period during which they became available under the law. Unexpended appropriations for the state historical society are not subject to this section and the state historical society shall report on the amounts and uses of funds carried over from one biennium to the appropriations committees of the next subsequent legislative assembly. The chairmen of the appropriations committees of the senate and house of representatives of the legislative assembly with the office of the budget may continue appropriations or balances in force for not more than two years after the expiration of the biennial period during which they became available upon recommendation of the director of the budget for:

1. New construction projects.
2. Major repair or improvement projects.
3. Purchases of new equipment costing more than ten thousand dollars per unit if it was ordered during the first twelve months of the biennium in which the funds were appropriated.
4. The purchase of land by the state on a "contract for deed" purchase if the total purchase price is within the authorized appropriation.
5. Purchases by the department of transportation of roadway maintenance equipment costing more than ten thousand dollars per unit if the equipment was ordered during the first twenty-one months of the biennium in which the funds were appropriated.
6. Authorized ongoing information technology projects.

SECTION 7. ADDITIONAL FEDERAL, PRIVATE, AND OTHER FUNDS - APPROPRIATION.

All funds, in addition to those appropriated in section 1 of this Act, from federal, private, and other sources for competitive grants or other funds that the legislative assembly has not indicated the intent to reject, including tuition revenue, received by the state board of higher education and the institutions and entities under the control of the state board of higher education, are appropriated to the board and those institutions and entities, for the biennium beginning July 1, 2021 and ending June 30, 2023. All additional funds received under the North Dakota- Minnesota reciprocity agreement during the biennium beginning July 1, 2021 and ending June 30, 2023, are appropriated to the state board of higher education for reimbursement to institutions under the control of the board.

SECTION 8. CAMPUS CAPITAL PROJECTS - PROJECT MANAGEMENT.

During the biennium beginning July 1, 2021 and ending June 30, 2023, each capital project authorized by the state board of higher education must have adequate project management oversight by either an institution official or a representative of an external entity. An institution may seek assistance from the university system office for project management oversight of a capital project.

SECTION 9. UNIVERSITY OF NORTH DAKOTA SCHOOL OF MEDICINE AND HEALTH SCIENCES OPERATIONS.

The operations line item in subdivision 5 of section 1 of this Act includes a funding allocation from the higher education per student credit-hour funding formula attributable to inflation during the biennium beginning July 1, 2021 and ending June 30, 2023. Based on the recommendation of the commissioner of higher education a portion of the allocation may be transferred by the state board of higher education between the university of North Dakota school of medicine and health sciences and the university of North Dakota.

SECTION 10. TRANSFER AUTHORITY. If, during the biennium beginning July 1, 2021 and ending June 30, 2023, the state board of higher education determines that funds allocated to operations in section 1 of this Act are needed for capital assets, the board may transfer funds from operations to capital assets. The board shall report any transfer of funds under this section to the office of management and budget.

SECTION 11. FULL-TIME EQUIVALENT POSITION ADJUSTMENTS. Notwithstanding any other provisions of law, the state board of higher education may adjust full-time equivalent positions as needed, subject to the availability of funds, for institutions and entities under its control during the biennium beginning July 1, 2021 and ending June 30, 2023. The North Dakota university system shall report any adjustments to the office of management and budget before the submission of the 2023-25 biennium budget request.

SECTION 12. EXEMPTION – TIER III CAPITAL BUILDING FUND POOL. The unexpended amount remaining for the Tier III capital building fund pool line in subdivision 1 of section 1 of chapter 3 of the 2019 Session Laws is not subject to section 54-44.1-11 and any unexpended funds from these lines are available during the biennium beginning July 1, 2021 and ending June 30, 2023.

SECTION 13. EXEMPTION – CAPITAL BUILDING FUND. The unexpended amount remaining for the capital building fund line in subdivisions 2 through 12 of section 1 of chapter 3 of the 2019 Session Laws are not subject to section 54-44.1-11 and any unexpended funds from these lines are available during the biennium beginning July 1, 2021 and ending June 30, 2023.

SECTION 14. USE OF EXTRAORDINARY REPAIRS FUNDING - MATCHING FUNDS. The capital assets line items in subdivisions 2 through 12 of section 1 of this Act include funding from the general fund for institution extraordinary repairs. An institution shall provide two dollars of matching funds from operations or other sources for each one dollar of extraordinary repairs funding used for a project. An institution may not use tier II or tier III capital building fund moneys as matching funds under this section.

SECTION 15. TIER II CAPITAL BUILDING FUND POOL - MATCHING FUNDS. The tier II capital building fund pool in subdivision 1 of section 1 of this Act includes \$10,000,000 from bonding authority. Funding from the tier II capital building fund pool is to be allocated to each institution as follows:

	<u>Tier II Capital Building Fund</u>
