Other Sections in House Bill No. 1008

Beginning farmer revolving loan fund - Section 3 authorizes a \$900,000 transfer from the beginning farmer revolving loan fund to the Public Service Commission to pay for costs associated with a rail rate complaint case. The Public Service Commission would reimburse the beginning farmer revolving loan fund using amounts available from damages or proceeds, net of legal fees.

Public Service Commission program fund - Section 4 creates a new section in North Dakota Century Code Chapter 49-01 to establish the Public Service Commission program fund for the purpose of defraying the expenses of the commission. The section also requires fees collected from weights and measures, public utility assessment, siting administrative fees, and from the investment of the fund be deposited in the Public Service Commission program fund. The section also requires the Office of Management and Budget to transfer any balance in excess of twice the current biennium self-funding appropriation to the general fund at the end of each biennium.

Public utility assessment - Section 5 creates a new section in Chapter 49-01 to create a fee to be assessed to each electric and gas utility. The assessment may not exceed \$225,000 per biennium. The section requires electric and gas public utilities to file gross receipts each year with the commission, from which the assessment is applied.

Salary of commissioners - Section 6 provides the statutory changes increasing the Public Service Commissioners' salary. Each Public Service Commissioner's annual salary is increased from the current level of \$113,600 to \$115,304, effective July 1, 2021, and to \$117,034, effective July 1, 2022, to reflect the 1.5 percent and 1.5 percent recommended salary increase.

Fees - Siting process expense recovery - Continuing appropriation - Section 7 amends Section 49-22-22 relating to siting process expense recovery. This section establishes an administrative fee, on every applicant, of \$100 for every \$1 million of original investment, not to exceed \$25,000. The fee must be deposited in the Public Service Commission program fund.

Fees - Siting process expense recovery - Continuing appropriation - Section 8 amends Section 49-22.1-21 relating to siting process expense recovery. This section establishes an administrative fee, on every applicant, of \$100 for every \$1 million of original investment, not to exceed \$25,000. The fee must be deposited in the Public Service Commission program fund.

Railroad safety program - Section 9 amends Section 57-43.2-19 to increase the deposit from \$294,509 to \$296,813 per year from special fuels taxes into the rail safety fund through June 30, 2023.

Fees - Registered service companies - Section 10 creates a new section to Chapter 64-02 to require registered service companies to pay an annual registration fee of \$100, plus \$50 for each registered service person and establishes a testing fee not to exceed \$25 per test.

Weights and measures fees - Section 11 amends Section 64-02-10 to increase all fees to test or calibrate weighing and measuring devices.

Fees collected - Paid into Public Service Commission program fund - Section 12 amends Section 64-02-12 relating to fees collected and paid into the Public Service Commission program fund. This section changes the deposit of all fees and charges collected by the commission from being deposited in the general fund to being deposited in the Public Service Commission program fund.

Continuing Appropriations

Siting process expense recovery fund - Section 49-22-22 - Siting process application fees received are deposited in the siting process expense recovery fund to pay expenses incurred in the siting process.

Performance assurance fund - Section 49-21-31 - Money received by the Public Service Commission under a performance assurance plan is to be deposited in the performance assurance fund until the balance equals \$100,000. The money in the fund may be used by the Public Service Commission to monitor the operation and effect of the performance assurance plan.

Utility valuation expense recovery - Section 49-05-04 - Any public utility requesting an increase in its rates above the maximum approved or prescribed by the commission shall furnish the commission the required documents and an application fee in the

amount of \$175,000. Upon request of the commission and with the approval of the Emergency Commission, the applicant shall pay such additional fees as are reasonably necessary for completion of the application process by the commission. The commission shall pay the expenses of investigating a rate increase application under this section from the application fee paid by the public utility in accordance with Section 49-02-02. The commission may waive or reduce the fee.

Deficiency Appropriation

There are no deficiency appropriations for this agency.

Significant Audit Findings

The State Auditor's office operational audit of the Public Service Commission for the period ending January 1, 2018, identified one deficiency relating to a lack of blanket bond coverage.

Major Related Legislation

House Bill No. 1060 - Amends Section 49-02-08, relating to the manner in which public utility meters may be tested, allowing the Public Service Commission to specify who conducts the test of the public utility meters.

House Bill No. 1067 - Creates a new section to Chapter 49-05, relating to the authority of the Public Service Commission to adopt rules and request a fee for the cost of investigating a public utility's integrated resource plan.

Senate Bill No. 2313 - Amends Sections 17-05-05 and 17-05-13, to authorize the Public Service Commission to participate in studies of transmission investment or private public investment options in transmission and requires the commission to provide a written report. The bill also repeals the 25x'25 initiative regarding renewable resources.
