FTE Changes

The Legislative Assembly approved 338.25 FTE positions for Bismarck State College for the 2025-27 biennium, an increase of 2.92 FTE positions from the 2023-25 biennium authorized level of 335.33 FTE positions. The 2.92 FTE positions were added pursuant to Section 39 of House Bill No. 1003 (2023), which authorized the State Board of Higher Education to adjust FTE positions at institutions under its control. Section 39 of Senate Bill No. 2003 (2025) continues the authorization of the board to adjust positions at institutions under its control during the 2025-27 biennium.

One-Time Funding

The 2025 Legislative Assembly appropriated \$2.2 million of one-time funding from local funds and the university system capital building fund for student housing at Bismarck State College for the 2025-27 biennium.

Other Sections in Senate Bill No. 2003

Additional funds appropriation authority - Section 3 appropriates any additional other funds received by entities under the control of the State Board of Higher Education to the respective entities.

Extraordinary repairs matching funds - Section 4 requires institutions to match extraordinary repairs funding on a dollar-for-dollar basis using operations or other funding, except for the University of North Dakota (UND) and North Dakota State University (NDSU), which must match \$2 to \$1.

Severance agreements - Sections 7 and 8 provide for the transfer of \$500,000 and \$342,000, respectively, to Bismarck State College and Lake Region State College from the University System office for the cost of separation agreements entered into with the presidents of the institutions.

Capital building fund program - Sections 10 and 11 provide for the continuation of the capital building fund program, including a transfer of \$26.5 million from the strategic investment and improvements fund to the University System capital building fund and the authorization to use money in the fund for new capital projects. Section 28 reduces the matching fund requirements for Tier III to dollar for dollar, excluding UND and NDSU which must continue to provide \$2 of matching funds for each \$1 from the University System capital building fund.

Project management oversight - Section 12 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

Higher education challenge grants - Sections 17 through 20 adjust the higher education challenge grant statutory provisions and provide for the distribution of up to \$24.76 million of grant funds to eligible institutions.

Workforce education innovation program - Section 21 limits the \$10 million for workforce education innovation grants to University System institutions, excluding UND and NDSU, and provides for a \$1.5 million limit per institution.

Higher education funding formula - Sections 25, 26, 27, and 49 adjust the higher education funding formula for credit weighting and credit completion factor changes, to continue targeted market equity and retirement contribution pool funding, to restore 2023-25 biennium equalization reductions, to equalize calculated base rates, and to provide a 4 percent inflationary increase.

Carryover authority - Section 30 continues the authorization through July 31, 2027, for entities under the control of the State Board of Higher Education to continue unexpended appropriations at the end of a biennium.

Transfer authority - Section 38 provides that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets line item if the board determines that additional funds are needed for capital assets.

FTE positions - Section 39 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

Exemptions - Section 40 authorizes the continuation of unspent appropriation authority for certain projects and programs into the 2025-27 biennium.
