| 10. | Includes funding for developmental disabilities services  | \$354,261,865                        | \$390,731,726                    | \$744,993,591                 |

#### **Continuing Appropriations**

**Medical marijuana** - North Dakota Century Code Section 19-24.1-40 - Establishes the medical marijuana fund and requires the Department of Health and Human Services (DHHS) deposit in the fund all fees collected under the medical marijuana chapter. The department must administer the fund and money in the fund is appropriated to the department on a continuing basis for use in administering the medical marijuana chapter. For the 2021-23 biennium, the fund had \$2,144,824 of revenues, \$1,609,657 of expenditures, and a June 30, 2023, fund balance of \$1,739,396.

Combined purchasing with local public health units - Section 23-01-28 - Provides DHHS may make combined or joint purchases with or on behalf of local public health units for items or services. Payments received by DHHS from local public health units pursuant to a combined or joint purchase must be deposited in the operating fund and are appropriated as a standing and continuing appropriation to the department for purchases under the section. For the 2021-23 biennium, the department received no payments from the public health units.

**Organ tissue transplant fund** - Sections 23-01-05.1 and 57-38-35.1 - Provides financial assistance to organ or tissue transplant patients who are residents of North Dakota and demonstrate financial need. Tax refunds of less than \$5 are transferred to the organ tissue transplant fund. The State Health Officer is responsible for adopting rules and administering the fund, and the Tax Department collects the funds. For the 2021-23 biennium, the fund had \$36,440 of revenues, \$12,404 of expenditures, and a June 30, 2023, fund balance of \$142,720.

**Cardiac ready community grant program** - Section 23-38.1-03 - Provides DHHS may accept any gifts, grants, or donations, whether conditional or unconditional. The department or local grantees may contract public or private entities and may expend any available money to obtain matching funds for the purposes of this chapter. All money received by DHHS as gifts, grants, or donations under this section are appropriated on a continuing basis to the department's operations fund for the purpose of funding the grant program. For the 2021-23 biennium, the department received \$500 of revenues for the program.

**Veterinarian and dental loan repayment** - Sections 43-29.1-08 and 43-28.1-09 - The State Health Council may accept any conditional or unconditional gifts, grants, or donations for the purpose of providing funds for the repayment of veterinarians' education loans or dentists' education loans. All money received as gifts, grants, or donations under these sections is appropriated on a continuing basis to the State Health Council for the purpose of providing funds for the repayment of additional veterinarians' or dentists' education loans. If an entity desires to provide funds to the State Health Council to allow an expansion of the program beyond three veterinarians or dentists, the entity must fully fund the expansion for a period of 4 years. For the 2021-23 biennium, the department had \$597,910 of expenditures for the dental loan repayment program and \$405,000 of expenditures for the veterinarian loan repayment program.

**Child support collection and disbursement** - Section 14-09-25 - Allows the department to receive child support payments and provide the funds to the custodial parent or appropriate governmental entity for those custodial parents receiving governmental assistance. For the 2021-23 biennium, the department had \$271,267,346 of collections and \$270,835,407 of disbursements.

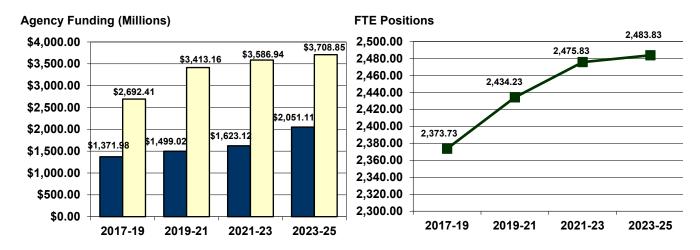

**Child support improvement account** - Section 50-09-15.1 - Allows the department to receive federal child support incentive funds and spend the funds in accordance with its business plan to improve the child support collection process. For the 2021-23 biennium, the department received \$3.8 million of revenues from federal child support incentive funds.

**Child support cooperative agreements** - Section 50-09-33 - Allows the department to accept federal funds and other income generated by the department under a cooperative agreement with an Indian tribe for child support enforcement services for hiring staff and payment of other expenses as necessary for carrying out the department's duties under the agreement. For the 2021-23 biennium, the department received no funds for the program.

**Transition to independence** - Section 50-06-34 - Allows the department to receive grants and other sources of funding for the development of a program for services to transition-aged youth at risk. For the 2021-23 biennium, the department received no funds for the program.
