

2015-17 BIENNIUM DISTRIBUTIONS TO POLITICAL SUBDIVISIONS - OIL AND GAS GROSS PRODUCTION TAX COLLECTIONS

Distributions of the oil and gas gross production tax to political subdivisions reflect production from 2 months prior. For example, June 2016 distributions of oil and gas gross production tax collections relate to April 2016 oil production. Distributions to political subdivisions pursuant to the new formula in 2015 House Bill No. 1176 became effective with July 2015 oil production and September 2015 distributions. As a result, this memorandum reports the distributions to political subdivisions for the period September 2015 to August 2017 to reflect 24 months of distributions based on the new formula.

DISTRIBUTIONS TO HUB CITIES AND HUB CITY SCHOOL DISTRICTS

The schedule below provides information on the distribution of oil and gas gross production tax collections to hub cities and hub city school districts for the period September 2015 through June 2016. Hub cities in oil-producing counties receive a monthly distribution of \$31,250 for each full or partial percentage point of private employment engaged in oil- and gas-related employment and a distribution from 9 percent of the amount allocated to counties that received \$5 million or more in state fiscal year 2014. Hub cities in non-oil-producing counties receive a monthly distribution of \$20,833 for each full or partial percentage point of private employment engaged in oil- and gas-related employment. Hub city school districts receive a monthly distribution of \$10,417 for each full or partial percentage point of private employment engaged in oil- and gas-related employment. The percentage of private covered employment engaged in oil- and gas-related employment for the hub cities for fiscal year 2016 is: Williston, 66 percent; Dickinson, 40 percent; Minot, 14 percent; Mandan, 9 percent; Bismarck, 4 percent; West Fargo, 3 percent; Jamestown, 2 percent; Fargo, 2 percent; and Grand Forks, 2 percent.
