The schedule below provides a brief description of the taxes and funds included in the flowchart on the previous page. Changes approved by the 2025 Legislative Assembly are shown in boldface.

Box	Tax/Fund	Description
1	Oil and gas gross production tax	North Dakota Century Code Section 57-51-02 provides for a tax of 5 percent of the gross value at the well of oil produced in North Dakota unless exempted, and a tax on gas of four cents times the gas base rate adjustment for each fiscal year as calculated by the Tax Department. <b>Senate Bill No. 2397 (2025) expands an exemption for gas used at the well site and creates an exemption for gas produced from an enhanced oil recovery project.</b>
2	Oil extraction tax	Section 57-51.1-02, as amended by House Bill No. 1476 (2015), provides for a tax of 5 percent of the gross value at the well on the extraction of oil unless exempted. Prior to January 1, 2016, the oil extraction tax rate was 6.5 percent. Senate Bill No. 2328 (2021) provides an oil extraction tax credit for the use of an onsite flare mitigation system. <b>House Bill No. 1483 (2025) expands an oil extraction tax exemption for wells drilled outside the Bakken and Three Forks Formations. Senate Bill No. 2397 (2025) creates an oil extraction tax exemption for the first 250,000 barrels of oil produced in the first 36 months from a development incentive well.</b>
3A, 3B	Tribal share	Chapter 57-51.2 provides the requirements for allocating oil and gas tax related to the oil production within the Fort Berthold Reservation. The oil and gas tax revenues are allocated 50 percent to the state and 50 percent to the Three Affiliated Tribes of the Fort Berthold Reservation. Senate Bill No. 2319 (2021) provided an allocation to the Three Affiliated Tribes from wells that cross into a reservation.
4	Legacy fund	Section 26 of Article X of the Constitution of North Dakota provides for a deposit to the legacy fund of 30 percent of total revenue derived from taxes on oil and gas production and extraction.
5	North Dakota outdoor heritage fund	House Bill No. 1278 (2013) created the North Dakota outdoor heritage fund to preserve natural areas and public lands. House Bill No. 1176 (2015) amended Section 57-51-15 to provide 8 percent of revenues from the first 1 percent of the oil and gas gross production tax, up to \$20 million per fiscal year, be deposited in the fund. <b>Senate Bill No. 2323 (2025) limits the allocations to \$7.5 million per fiscal year for the 2025-27 biennium, the same as the 2023-25 biennium.</b>
6	Abandoned oil and gas well plugging and site reclamation fund	House Bill No. 1333 (2013) and House Bill No. 1032 (2015) amended Section 57-51-15 to increase the allocations to the abandoned oil and gas well plugging and site reclamation fund. Based on current law, 4 percent of the first 1 percent of oil and gas gross production tax is allocated to the fund not to exceed \$7.5 million per fiscal year and not in an amount that would bring the balance of the fund to more than \$100 million. House Bill No. 1014 (2019) decreased the maximum fund balance by \$50 million, from \$100 million to \$50 million. Senate Bill No. 2059 (2023) increased the fund balance limit from \$50 million to \$100 million through the 2025-27 biennium.
7	Political subdivisions	Oil and gas gross production taxes are distributed to political subdivisions under Section 57-51-15 as amended by Senate Bill No. 2013 (2017). House Bill No. 1066 (2019) changed the funding source for the allocations to hub cities, hub city school districts, and school districts for supplemental payments, and the bill also adjusts the allocation percentages for the distributions to townships and hub city school districts. <b>Senate Bill No. 2323 (2025) provides an additional allocation for hub city debt relief.</b>
8	Common schools trust fund	Section 1 of Article IX of the Constitution of North Dakota provides for a common schools trust fund to be used to support the common schools of the state. Section 24 of Article X of the Constitution of North Dakota provides for a distribution of 10 percent of oil extraction taxes to the common schools trust fund to become part of the principal of the fund. The earnings are distributed through state school aid payments. Senate Bill No. 2362 (2019) changed the method of allocating oil extraction tax revenue related to the state's share of revenue associated with production on tribal lands, increasing the allocation to the common schools trust fund.
9	Foundation aid stabilization fund	Section 24 of Article X of the Constitution of North Dakota provides for a distribution of 10 percent of oil extraction taxes to the foundation aid stabilization fund. Section 24, as amended by Senate Concurrent Resolution No. 4003 (2015) and approved by the voters, restricts a portion of the fund to offset state school aid payments due to a revenue shortfall and allows the remainder to be used for educational purposes. Senate Bill No. 2362 (2019) changed the method of allocating oil extraction tax revenue related to the state's share of revenue associated with production on tribal lands, increasing the allocation to the foundation aid stabilization fund.
10	Resources trust fund	Section 57-51.1-07 provides for a distribution of 20 percent of oil extraction taxes to the resources trust fund. Section 22 of Article X of the Constitution of North Dakota provides the fund may be used, subject to legislative appropriation, for constructing water-related projects, including rural water systems, and funding of programs for energy conservation. Senate Bill No. 2362 (2019) changed the method of allocating oil extraction tax revenue related to the state's share of revenue associated with production on tribal lands and provided an additional .5 percent allocation to the resources trust fund as an adjustment for prior period allocations, both of which result in an increase in the allocations to the fund.
11	Energy conservation grant fund	Senate Bill No. 2014 (2013) amended Section 57-51.1-07 to provide for a transfer of .5 of 1 percent of the amount credited to the resources trust fund from the resources trust fund into the energy conservation grant fund, up to \$1.2 million per biennium.
12	Renewable energy development fund	Senate Bill No. 2014 (2013) amended Section 57-51.1-07 to provide for a transfer of 5 percent of the amount credited to the resources trust fund from the resources trust fund into the renewable energy development fund, up to \$3 million per biennium. House Bill No. 1020 (2017) decreased the percentage transferred from 5 to 3 percent.
13	Oil and gas research fund	Section 57-51.1-07.3 (Senate Bill No. 2311 (2003)) established the oil and gas research fund for the Oil and Gas Research Council to provide grants. Senate Bill No. 2014 (2013) amended Section 57-51.1-07.3 to provide 2 percent of the state's share of the oil and gas tax revenues, up to \$10 million per biennium, is to be deposited into the oil and gas research fund. <b>Senate Bill No. 2323 (2025) increases the allocations by \$7.5 million, from \$10 million to \$17.5 million, for the 2025-27 biennium, the same as the 2023-25 biennium.</b>
14	State energy research center fund	Senate Bill No. 2249 (2019) created a state energy research center fund and allocates 1 percent of the state's share of oil and gas tax revenues, up to \$5 million per biennium, to the fund for the Industrial Commission to contract with the Energy and Environmental Research Center for research projects. Senate Bill No. 2161 (2023) increased the allocation to provide up to \$7.5 million per biennium through the 2027-29 biennium.
15A, 15B	General fund	The general fund is the chief operating fund of the state. Section 57-51.1-07.5, as amended by House Bill No. 1152 (2017), provided for an allocation of \$400 million of the state's share of oil and gas tax revenues to the general fund for the 2017-19 biennium and an allocation of \$300 million after the 2017-19 biennium. House Bill No. 1066 (2019) increased the allocation to \$400 million. Senate Bill No. 2367 (2023) increased the allocation from \$400 million to \$460 million. <b>Senate Bill No. 2323 (2025) increases the allocation from \$460 million to \$500 million.</b>
16	Social service fund	House Bill No. 1152 (2017) amended Section 57-51.1-07.5 to provide for the allocation of \$200 million of the state's share of oil and gas tax revenues to the tax relief fund each biennium. Senate Bill No. 2367 (2023) renamed the tax relief fund the social service fund and increased the allocation from \$200 million to \$250 million.
17	Budget stabilization fund	The budget stabilization fund is established under Section 54-27.2-01. The Governor may order a transfer from the budget stabilization fund to the general fund when certain criteria are met to offset a general fund revenue shortfall. House Bill No. 1152 (2017) amended Section 57-51.1-07.5 to provide for an allocation of up to \$75 million from the state's share of oil and gas tax revenues.
18	Lignite research fund	The lignite research fund is established under Section 57-61-01.6 for research, development projects, and marketing activities related to the lignite industry. House Bill No. 1152 (2017) amended Section 57-51.1-07.5 to provide for an allocation of up to \$3 million from the state's share of oil and gas tax revenues. House Bill No. 1066 (2019) increased the allocation to \$10 million.
19	State disaster relief fund	Section 37-17.1-27 provides for the state disaster relief fund to be used for the required state share of funding for expenses associated with presidential-declared disasters. Section 57-51.1-07.5, as amended by House Bill No. 1152 (2017), provided for the distribution of up to \$20 million of oil tax revenues to the state disaster relief fund each biennium, but not in an amount that would bring the balance of the fund to more than \$20 million. Senate Bill No. 2016 (2019) decreased the allocation to provide up to \$15 million of allocations, but not in an amount that would bring the balance of the fund to more than \$15 million. House Bill No. 1015 (2021) and Senate Bill No. 2249 (2021) increased the allocation limit by \$5 million, from \$15 million to \$20 million.
20	Municipal infrastructure fund	House Bill No. 1066 (2019) created a municipal infrastructure fund and allocates up to \$115 million per biennium for grants to non-oil-producing cities for essential infrastructure projects. House Bill No. 1015 (2021) aligned the allocations to the municipal infrastructure fund and the county and township infrastructure fund to provide allocations to the two funds at the same time after the initial allocation to the strategic investment and improvements fund. <b>Senate Bill No. 2012 (2025) amends the state's share of oil and gas tax revenues to allocate funding to the municipal infrastructure before the allocation to the Public Employees Retirement System fund and to decrease the allocations to the fund by \$35 million, from \$115 million to \$80 million.</b>
21	County and township infrastructure fund	House Bill No. 1066 (2019) created a county and township infrastructure fund and allocates up to \$115 million per biennium for grants to non-oil-producing counties and townships for road and bridge infrastructure projects. House Bill No. 1015 (2021) aligned the allocations to the municipal infrastructure fund and the county and township infrastructure fund to provide allocations to the two funds at the same time after the initial allocation to the strategic investment and improvements fund. <b>Senate Bill No. 2012 (2025) amends the state's share of oil and gas tax revenues to allocate funding to the county and township infrastructure fund before the allocation to the Public Employees Retirement System fund and to decrease the allocations to the fund by \$35 million, from \$115 million to \$80 million.</b>
22	Public Employees Retirement System fund	House Bill No. 1040 (2023) added an allocation of \$65 million per biennium to the Public Employees Retirement System fund for the main retirement plan.
