EFFECTIVE DATES OF 2025-26 LEGISLATION

Section 13 of Article IV of the Constitution of North Dakota and North Dakota Century Code Section 1-02-42 provide the rules for determining the effective dates of laws enacted by the Legislative Assembly.

The 69th Legislative Assembly convened for a regular session on January 7, 2025, and adjourned on May 3, 2025. A law enacted during a regular session of the Legislative Assembly takes effect on August 1 after its filing with the Secretary of State. An appropriation measure for the support and maintenance of state departments and institutions or a tax measure that changes tax rates takes effect on July 1 after its filing with the Secretary of State. Later effective dates can be specified in a bill, and a law declared to be an emergency measure which passes each house by a vote of two-thirds of the members-elect of each house can take effect upon its filing with the Secretary of State.

The 69th Legislative Assembly convened for a special session on January 21, 2026, and adjourned on January 23, 2026. The Legislative Assembly convened for a second special session on September 2, 2026, and adjourned on September 4, 2026. Laws enacted during a special session of the Legislative Assembly take effect on the date specified in the Act. An emergency clause is not required for laws passed during a special session.
