Testimony
House Bill No. 1109
House Human Services Committee
Representative Matthew Ruby, Chairman
January 14, 2025

Chairman Ruby, and members of the House Human Services Committee, I am Tina Bay, Director of the Developmental Disabilities Section with the Department of Health and Human Services (Department). I appear before you in support of House Bill No. 1109, which was introduced at the request of the Department.

Most of the changes in House Bill No. 1109 involve updating the terminology from "treatment or care center" to "provider agency" and replacing "resident" or "patient" with "individual" or "eligible individual". These revisions, made in Sections 1, 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 15, 16, and 18, are necessary to remove outdated terminology and align the language with more person-centered principles.

I will now discuss the other specific changes to House Bill No. 1109.

Section 1:

In addition to the terminology updates, this section proposes moving the definitions of "Developmental disability" and "Group home" from North Dakota Century Code section 25-16-14 to this section for clarity and consistency.

Section 3:

The proposed changes in Section 3 of this Bill amends section 25-16-03 of the North Dakota Century Code to update terminology and to align language to current practice.

Section 5:

The proposed changes in Section 5 amend Section 25-16-04 by removing language previously noted in section 25-16-03. Additionally, "records" are added to the list of items the Department may review to assess a provider agency's compliance with Department rules, verify information submitted with an application, investigate complaints, and evaluate the implementation of a plan of correction. Access to these records are outlined North Dakota Administrative Code Article 75-04-01 as part of current process.

Section 6:

The proposed changes in Section 6 amend section 25-16-05 by replacing the language of "number of residents who may be received in such premises at any one-time" with occupancy or service limitations.

Sections 7 and 10:

The proposed changes in Section 7 amend section 25-16-06 and Section 10 amend section 25-16-09 by removing "for the conduct of such centers as are" and "to conduct a treatment or care center for individuals with a developmental disability" to reflect the terminology updates and the language is duplicative as the purpose of the chapter is regarding the centers (provider agency).

Section 13:

The proposed changes in Section 13 amend section 25-16-04 by removing the definitions of “Group home” and “Individual with a developmental disability” as these definitions have been moved into the definition section of 25-16-01.

Section 14:

Section 14 introduces three new sections. The first new section, “Corrective actions”, grants the Department corrective action options if a provider agency is found not in compliance with this chapter or the Department’s rules. The second new section, “Purchase of services”, moves the “Purchase of services” provision from North Dakota Century Code section 25-18-03 into this new section. The third new section, “Federal requirements – Supremacy”, moves “Federal requirements – Supremacy” from North Dakota Century Code section 25-18-09 to this section for consistency and clarity.

Section 17:

In addition to the previously mentioned terminology changes, Section 17 amends section 25-16.1-03 by proposing to replace the term “executive director” of the Department to “commissioner” to reflect the current leadership structure of the Department.

Section 19:

This section proposes the repeal of North Dakota Century Code chapter 25-18. A review of historical legislative actions reveals that this chapter was originally part of legislation passed in 2003, which aimed to study a fee-for-service rate setting system for payments to treatment or care centers serving individuals with developmental disabilities. A study was

conducted during the 2003-2005 interim, and it was determined that the fee-for-service system would not move forward. While some of the 2003 language was removed in 2005, other sections remained relevant only under the previous retrospective rate-setting methodology. Given this methodology changed in 2018, the remaining language is now outdated and should be repealed. With regard to the repeal of section 25-18-15, the legislative history does not provide background to its intent. However, section 50-06-06.4 outlines the legislative intent regarding comprehensive community residential programs for children with developmental disabilities. Therefore, the Department believes this language can also be repealed.

This concludes my testimony. I would be happy to try to answer any questions the committee may have. Thank you.

8 or when the operator of a ~~center~~provider agency has requested, the department may file a
9 petition with the district court to place the ~~center~~provider agency under the control of a receiver
10 if necessary to protect the health or safety of clients at the ~~center~~provider agency. The court
11 may grant the petition upon a finding that the health or safety of the clients at the ~~center~~provider
12 agency would be seriously threatened if a condition existing at the time the petition was filed is
13 permitted to continue. Such a finding may be based upon evidence concerning the physical
14 plant, the program and services offered by the ~~center~~provider agency, but not solely upon
15 evidence that a ~~center~~provider agency:

- 16 1. Has been denied a license to operate as a ~~center~~provider agency, or has had a
17 previously issued license revoked; or
18 2. Has been denied certification as an intermediate care facility for individuals with
19 intellectual disabilities, or has lost or had revoked such certification.

20 **SECTION 17. AMENDMENT.** Section 25-16.1-03 of the North Dakota Century Code is
21 amended and reenacted as follows:

22 **25-16.1-03. Appointment of receiver.**

23 The court shall appoint, as receiver, the ~~executive director~~commissioner of the department
24 who shall designate a qualified individual not employed by this state or its political subdivisions,
25 or a nonprofit organization to execute the receivership. The receiver appointed by the court shall
26 use the income and assets of the ~~treatment or care center~~provider agency to maintain and
27 operate the ~~center~~provider agency and to attempt to correct the conditions which constitute a
28 threat to the clients. The receiver may not liquidate the assets of the ~~treatment or care~~
29 centerprovider agency.

30 **SECTION 18. AMENDMENT.** Section 25-16.1-04 of the North Dakota Century Code is
31 amended and reenacted as follows:

JPB 9/1/9

2 The receivership shall be terminated when the receiver and the court certify that the
3 conditions which prompted the appointment have been corrected, when the license is restored,
4 when a new license is issued, or, in the case of an election by the owner or owners to
5 discontinue operation, when the clients are safely placed or provided services in other
6 centers provider agencies.

7 **SECTION 19. REPEAL.** Chapter 25-18 of the North Dakota Century Code is repealed.

8 **SECTION 20. EMERGENCY.** This Act is declared to be an emergency measure.

Health & Human Services

Testimony
House Bill No. 1109
Senate Human Services Committee
Senator Judy Lee, Chairman
February 11, 2025

Chairman Lee, and members of the Senate Human Services Committee, I am Tina Bay, Director of the Developmental Disabilities Section with the Department of Health and Human Services (Department). I appear before you in support of House Bill No. 1109, which was introduced at the request of the Department.

Most of the changes in House Bill No. 1109 involve updating the terminology from "treatment or care center" to "provider agency" and replacing "resident" or "patient" with "individual" or "eligible individual". These revisions, made in Sections 1, 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 15, 16, and 18, are necessary to remove outdated terminology and align the language with more person-centered principles.

I will now discuss the other specific changes to House Bill No. 1109 and proposed amendments.

Section 1:

In addition to the terminology updates, this section proposes moving the definitions of "Developmental disability" and "Group home" from North Dakota Century Code section 25-16-14 to this section for clarity and consistency. The Department is requesting an amendment to add the definition of "host home" to this section to enable continued development of services that can better address the range of unique needs of people served.

Section 3:

The proposed changes in Section 3 of this Bill amends section 25-16-03 of the North Dakota Century Code to update terminology and to align language to current practice.

Section 5:

The proposed changes in Section 5 amend Section 25-16-04 by removing language previously noted in section 25-16-03. Additionally, “records” are added to the list of items the Department may review to assess a provider agency’s compliance with Department rules, verify information submitted with an application, investigate complaints, and evaluate the implementation of a plan of correction. Access to these records are outlined North Dakota Administrative Code Article 75-04-01 as part of current process.

Section 6:

The proposed changes in Section 6 amend section 25-16-05 by replacing the language of “number of residents who may be received in such premises at any one-time” with occupancy or service limitations.

Sections 7 and 10:

The proposed changes in Section 7 amend section 25-16-06 and Section 10 amend section 25-16-09 by removing “for the conduct of such centers as are” and “to conduct a treatment or care center for individuals with a developmental disability” to reflect the terminology updates and the language is duplicative as the purpose of the chapter is regarding the centers (provider agency).

Section 13:

The proposed changes in Section 13 amend section 25-16-04 by removing the definitions of “Group home” and “Individual with a developmental disability” as these definitions have been moved into the definition section of 25-16-01.

Section 14:

Section 14 introduces three new sections. The first new section, “Corrective actions”, grants the Department corrective action options if a provider agency is found not in compliance with this chapter or the Department’s rules.

The second new section, “Purchase of services”, moves the “Purchase of services” provision from North Dakota Century Code section 25-18-03 into this new section. The Department is requesting an amendment to this new section to allow the Department to purchase services from a Medicaid-enrolled provider and to establish a host home program to provide out-of-home placement to facilitate delivery of intensive care and support for Medicaid-eligible individuals with developmental disabilities.

The third new section, “Federal requirements – Supremacy”, moves “Federal requirements – Supremacy” from North Dakota Century Code section 25-18-09 to this section for consistency and clarity.

Section 17:

In addition to the previously mentioned terminology changes, Section 17 amends section 25-16.1-03 by proposing to replace the term “executive

director” of the Department to “commissioner” to reflect the current leadership structure of the Department.

Section 19:

This section proposes the repeal of North Dakota Century Code chapter 25-18. A review of historical legislative actions reveals that this chapter was originally part of legislation passed in 2003, which aimed to study a fee-for-service rate setting system for payments to treatment or care centers serving individuals with developmental disabilities. A study was conducted during the 2003-2005 interim, and it was determined that the fee-for-service system would not move forward. While some of the 2003 language was removed in 2005, other sections remained relevant only under the previous retrospective rate-setting methodology. Given this methodology changed in 2018, the remaining language is now outdated and should be repealed. With regard to the repeal of section 25-18-15, the legislative history does not provide background to its intent. However, section 50-06-06.4 outlines the legislative intent regarding comprehensive community residential programs for children with developmental disabilities. Therefore, the Department believes this language can also be repealed.

This concludes my testimony. I would be happy to try to answer any questions the committee may have. Thank you.
