

North Dakota Legislative Council

Prepared for the Legislative Management
LC# 25.9011.01000
June 2023

LEGISLATIVE INFORMATION TECHNOLOGY STIPEND POLICY

Effective July 1, 2023, each legislator is eligible to receive a monthly stipend of \$200 for information technology costs. Legislators are required to submit to the Legislative Council a signed Information Technology Stipend Authorization Agreement Form ([attached](#)) to receive the payment. The stipend amount may be taxable and is intended to be used for paying broadband data and mobile phone costs, as well as other technology-related costs, including printers, ink, and accessories.

**NORTH DAKOTA
LEGISLATIVE COUNCIL**

**INFORMATION TECHNOLOGY STIPEND
AUTHORIZATION FORM**

Authorization Agreement

I hereby request the North Dakota Legislative Council provide a **stipend of \$200 per month for my information technology costs associated with my legislative service.**

Information technology cost examples: Broadband service; mobile phone service; mobile data for my personal or state-issued iPad; home and mobile data connection devices; printers and ink; and mobile and tablet accessories.

I understand as a state employee I may receive a discount from my mobile broadband data carrier decreasing my monthly mobile broadband data costs. For more information please visit:

<http://www.nd.gov/cose/discounts/index.htm>.

INFORMATION TECHNOLOGY STIPEND POLICY:

I accept the terms and conditions as outlined in the information technology stipend policy and any future Legislative Management approved modifications to this policy.

I acknowledge I am utilizing the information technology stipend to cover my information technology costs associated with being a member of the Legislative Assembly.
